Dear Giovanni, I hope all is well.

We request your approval to include our Bancolombia professional services project team members in the group "CORPPROXY Facebook, YouTube, LinkedIn, Whatsapp AD group" to have access to the links of "these social networks (facebook.com, linkedin.com, whatsapp.com, Instagram.com, youtube. com) the applicability of these urls are used for implementations facing the Bancolombia Content Portal, without these accesses there will be limitations and we will have impediments to complete commitments facing Business, impacting in a counterproductive way the User's experience and value delivery.

Below I relate mail of the bank leader's request,

Thank you in advance for your support with this request.

Saludos Oscar! Equipo!

Por favor tu apoyo para restablecer los permisos / políticas de navegación a Internet del equipo Portátil de Alexis Rendón: Facebook, YouTube, LinkedIn, y demás redes sociales para completar sus compromisos / implementaciones de cara al Portal de Contenidos de Bancolombia. Dichas limitantes lo tienen impedido para completar compromisos de cara a Negocio impactando de forma contraproducente experiencia de Usuarios y entregas de valor.

Muchísimas gracias por el apoyo!

Cordialmente,
